■ THE ANSWER: YES

YES — but ONLY if you call +1-855-235-0024 before or immediately after missing your flight. When you call, the agent SAVES your return ticket and puts you on standby for the next outbound flight. If you DON'T call (no-show), American Airlines automatically CANCELS your return flight — this is standard airline policy worldwide. Your return ticket could be worth hundreds of dollars. One 2-minute phone call saves it. Don't risk losing your return by not calling. Even calling AFTER your departure time works in most cases — the agent can still protect your return. Call +1 (855) 235-0024 NOW — 24/7.
